

from the HEART

. . . providing an avenue for the youth of Wimberley, Texas to participate in cultural art experiences, enhancing awareness and appreciation of the arts, being a catalyst for community enrichment through the cultural arts.

2nd Semester Enrollment Application

2006 After School Workshops for 3rd, 4th, and 5th graders
3:15-4:45 in the Bowen cafeteria

2nd semester: Tuesdays and Wednesdays – January 31 through March 29, 2006

We look forward to another exciting semester of educational art activities with our students. Our classes fill quickly, so we encourage you to return this application as soon as possible if your child is interested in attending the second semester. Applications will be accepted on a first come-first serve basis. We will contact you to confirm your child's enrollment. Please be certain to **fully complete the front and back** of this application.

Please enroll my child in the workshops held on

(Choose & Circle ONE day) Tuesday Wednesday

Student's Name _____ Grade _____

If so, which one(s)? _____

Parent or guardian _____

Address _____ Zip _____

Work phone _____ Home phone _____ Cell _____

Email _____

Emergency Contacts (please list 2): _____

Arts From The Heart is a 501 c3 non-profit.

(complete 2nd page)

Since 1998, Arts From The Heart has never charged for children to attend our workshops. The expenses of our art programs are funded through donations. We do not receive funding from the school district and truly need the support of those able to contribute in order to sustain our efforts. Please check one of the following:

_____ I would like to make a \$35.00 donation this semester in order to help defray the costs of providing this Art From The Heart program to my child.

_____ I do not wish to make a donation at this time. Please find a sponsor for my child to attend this workshop.

_____ Please accept my \$70.00 donation to help defray the costs of providing this Arts From The Heart program to my child as well as an additional child.

If you are an artist and would like to provide instruction at a future workshop, please let us know. Artists are compensated for their time and are also reimbursed for approved art material expenses.

_____ I am an artist. Please contact me about teaching a future AFTH workshop.

_____ I am interested in volunteering for AFTH at The Village Thrift Store on River Road to help raise needed funding for AFTH. Volunteering for as little as one hour a week would be a great help to us. **We need volunteers in this area!**

AFTH parents are encouraged to volunteer as an assistant in our workshops at least one time during the semester. Our workshops have a small student/adult ratio to ensure that every child receives the attention he/she deserves. This can be a rewarding experience for parents. It is not necessary to have any art experience to be an assistant. Our teaching artists provide the art instruction. Please check one of the following:

_____ Yes! I would like to assist in a workshop my child is attending. Please contact me to schedule a date.

_____ I am unable to assist in a workshop my child is attending.

AFTH provides snacks and a non-soda drink for the children at the beginning of each workshop. If you are interested in providing one workshop snack, please indicate below.

_____ I would like to provide the snack and non-soda drink for one afternoon workshop. Please contact me to schedule a date.

I agree to arrive no later than the 4:45 end of each workshop to pick up my child. I understand the importance of arriving on time, as there will be no adult supervision available at the school after this time. I understand that for the protection and safety of my child, rather than leaving the child unattended, the sheriff may be called by AFTH if the adults listed on the front of this application cannot be reached.
